

Here is the current availability in our Age 7-11 classes at Buzz Dance Company. If the class that you are looking for is not listed below, that means that we currently have no spaces available, therefore you would need to be added to a waitlist if that is the only class or classes you are interested in. You will notice that we have 7-8, 9-11 and 7-11 classes within this age group. That is because some dancers prefer to attend a class a little more age specific and it also helps us with getting dancers ready for exam grades if the class is a little more focused in terms of ages. All of these classes will however follow the same IDTA Syllabus work.

## Class Tuition Fees

All of our 45 minute classes are billed in advance on the 1st of the month (September-July). They are taken by recurring card payment. Each class is charged at £17.30 per month, with a discount of 5% for pupils attending more than one class per month. The fees are based on 38 weeks of tuition across the academic year and we take our holidays at the same time as the Gateshead school calendar. This could mean that some months such as April, there will be less classes to attend than other months, but it evens itself out across the year.
