Information regarding tuition fees

Tuition fees are as follows:

ALL 30 minute Preschool classes are priced at £13 per calendar month, per class.

ALL 45 minute classes for ages 4+ are priced at £15.55 per calendar month, per class.

There is a discount of 5% for pupils taking two different classes and 10% for pupils taking three or more. We also offer a further 10% discount for families with more than one pupil enrolled on to classes.

Tuition fees are calculated on the basis of 38 weeks of tuition from September 2017-July 2018. The charges above are pro rata charges, divided equally across 11 months. This is done to make monthly fees easier to follow, as opposed to recalculating them each month based on the number of sessions. Classes operate alongside the Gateshead Schools calendar, unless otherwise stated.
